

Cost Management and Operational Efficiency

19 - 23 Oct 2026
Barcelona - Eixample district four-star

Cost Management and Operational Efficiency

Ref.: 1028_363 **Date:** 19 - 23 Oct 2026 **Location:** Barcelona - Eixample district four-star
Fees: 18750 **SAR**

This five-day programme equips managers to find and hold operational savings. Curriculum covers cost structure analysis and drivers, activity-based costing, waste identification, capacity utilisation, make-versus-buy and outsourcing analysis, procurement and demand management, and locking in savings so they do not reappear.
